

## IFNR Paediatric Neurorehabilitation Update

2<sup>nd</sup> – 3<sup>rd</sup> Aug. 2025, SRCC Center for Child Development, Mumbai

### Unlocking Possibilities for Neurodevelopmental Differences in Children

# ABILITY EXPO

## IFNR PNU 2025 Invites

Rehabilitation Equipment Manufacturers & Distributors, NGOs, Start-Ups, Innovators, Service Providers, Special Schools, and Organizations working in the field of Paediatric Neurorehabilitation to showcase their products and services from across India and get visibility for their work to highly acclaimed doctors, surgeons, physiotherapists, occupational therapists, caregivers, organizations.

### “let only your work speak for you”

This unique Expo gives an opportunity to the exhibitors across India to showcase their products or services in different ways.

## Product Showcase Options

### • Product & Poster Presentation

The product will be showcased along with other products in the exhibition rooms of the Expo area and demonstrated by the exhibitor if present or by trained volunteers in case the exhibitor is unable to travel to Mumbai.

*\*Product & Other Marketing Material to be shipped to and from the venue by the exhibitor at their own expense and responsibility.*

### • Only Poster Presentation

Exhibitor will be required to only send A2 size poster describing their product or services. This poster will be displayed on panels in the Expo Area.

*\*Poster format will be shared upon registration for participation.*
